

FOUNDATIONAL BREAST CARE

.com

Foundational Breast Care would like to invite you to join us for the official Norway launch of our ground breaking social enterprise and website.

FBC Founder and Director, Sara Williams from the UK will be presenting alongside Norwegian FBC representative, Eva Rygg, on the restoration of the purpose of breasts and why true and sustainable breast care can only arise from within. Breast care is a significant entry point to a woman's developing reconnection with herself and subsequently, her relationship with her whole body that then determines the quality of relationship she has with others.
